

# CONTENTS

<b>ARCHITECTURE THEORY AND HISTORY, HISTORICAL AND ARCHITECTURAL HERITAGE RESTORATION AND RECONSTRUCTION</b>	
<b>Aitov R.R., Afanasyeva E.A.</b> The traditional coloring of the Tatar rural houses in modern conditions	7
<b>Ashirova M.V., Aidarova G.N.</b> Rapid Response Architecture: the concept of temporary mobile housing in large cities	17
<b>Kinosyan N.S.</b> Theoretical and practical contribution into the architecture of country houses of the post-war reconstruction building	23
<b>Kramina T.A.</b> The evolution of architectural and constructive solutions of industrial buildings. The experience and lessons	30
<b>Lisitsyna A.V.</b> The historical and architectural environment of «border» towns of Nizhny-Novgorod region of the river Volga	39
<b>Mirsayapova I.I.</b> Three waves of the theoretical design	49
<b>Nadyrova D.A.</b> Profitable houses of Kazan of the end of XIX-beginning XX centuries, as a multi-functional complexes	57
<b>Fachrutdinova I.A., Efimov D.D.</b> Public architecture of the soviet modernism period as a topical issue for research of regional architectural heritage (60-80-ies of the 20th century)	64
<b>HOUSES ARCHITECTURE. THE CREATIVE CONCEPT OF ARCHITECTURAL ACTIVITIES</b>	
<b>Zhelnavskaya L.V., Rodionovskaya I.S.</b> Some methods of ecological protection of the kindergarten architectural environment in the megacity cramped conditions	72
<b>URBAN DEVELOPMENT, RURAL SETTLEMENTS PLANNING</b>	
<b>Dembich A.A., Zakieva L.F.</b> The formation of medical clusters in Kazan functioning as «growth points» of the medicine in the region	79
<b>Narbekov M.F.</b> Urban planning and development of Baku and Baku Agglomeration (end of 1930s-2015)	87
<b>BUILDING STRUCTURES, HOUSES</b>	
<b>Badertdinov I.R., Kuznetsov I.L.</b> Optimal geometrical parameters of trihedral steel support's cross section	95
<b>Kupriyanov V.N., Altapov S.R.</b> Modeling of wind actions by changing of a form of the building	100
<b>Ladnushkin A.A., Avhadeev R.R., Hasanov R.M., Sadykov R.R.</b> Modernization of industrial chimneys of oil production complexes	105
<b>FOUNDATIONS, UNDERGROUND STRUCTURES</b>	
<b>Mirsayapov I.T., Sharafutdinov R.A.</b> Bearing capacity and precipitation of soil foundations reinforced by vertical and horizontal elements	111
<b>HEATING, VENTILATION, AIR CONDITIONING, GAS SUPPLY AND LIGHTING</b>	
<b>Akhmerova G.M., Fedorov A.V.</b> The influence of soil moisture on heat losses of pipes in the impassable channels	117
<b>Barysheva O.B., Khabibullin Iu.Kh., Belyaeva E.E.</b> The effectiveness of the use of exhaust transformer oil in heating system of non-residential premises	122
<b>Broyda V.A.</b> The expediency of the air conditioning system with cold accumulation	127
<b>Volodin Yu.G., Hannanov R.R.</b> Mathematical modeling of the worker process in gas canal for the boiler aggregate TGM-84	133
<b>Posokhin V.N., Ziganshin A.M., Gorohova A.Y.</b> About natural convection over the horizontal heat sources	140
<b>Posohin V.N., Kareeva J.R.</b> About pressure loss at jet flow in limited spaces	146
<b>WATER SUPPLY, SEWERAGE, WATER CONSERVATION CONSTRUCTION</b>	
<b>Buserev A.V., Selyugin A.S., Urmitova N.S., Kayumov F.F.</b> To the question of cleaning oily wastewater in hydrocyclones installation with coalescing packings	152
<b>Urmitova N.S., Abitov R.N., Khisameeva L.R., Nizamova A.Kh.</b> Motion of a viscous liquid in the pores of the coarse granular coalescing nozzle with a linear resistance law	159
<b>BUILDING MATERIALS AND PRODUCTS</b>	
<b>Galeev R.R., Abdrahmanova L.A., Nizamov R.K.</b> Expanded perlite sand: the modification factors in PVC-compounds	166
<b>Ermilova E.U., Kamalova Z.A., Rakhimov R.Z.</b> Hybrid cements based on metakaolin with low content of Portland cement	172
<b>Eruslanova E.V., Krasnikova N.M., Khozin V.G.</b> No warm-lightweight concrete on the basis of nano-modified dry mixtures for foam	179
<b>Morozova N.N., Hamza Abdulmalik Qais</b> Getting high fine-grained concrete with the use of natural zeolite	185
<b>Mukhametrakhimov R.Kh., Galautdinov A.R., Dikina A.N.</b> The technology of manufacture and installation of modified gypsum plates	194
<b>Potapova L.I., Furer V.L., Kovalenko V.I., Tsagolova E.I.</b> Analysis of IR-spectra of para-tert-butylcalix[6]arene	201

<b>Stroganov V.F., Amelchenko M.O., Lygina T.Z., Naumkina N.I.</b> Possibility of regulation of technological and performance characteristics styrene-acrylic paints and lacquers materials filled by kaolins of different types of activation	207
<b>Khaliullin M.I., Gaifullin A.R., Rakhimov R.Z.</b> Complex influence of the components on the basic properties of artificial stone based on clinker without gypsum composite binders	212
<b>Khamatova A.R., Khohryakov O.V.</b> The electro-steel-smelting slag JSC «Izhstal» for cements of low water demand and concrete on their basis	221
<b>CONSTRUCTION TECHNOLOGY AND ORGANIZATION</b>	
<b>Ibragimov R.A., Salimova G.R.</b> Analysis of the duration of the construction of modern large-panel residential buildings in Kazan	228
<b>Mudrov A.G.</b> The ways of intensification of processes of construction technologies	233
<b>Mukhametrakhimov R.Kh.</b> Manufacturing technology and organization of production of cement-fiber plates	241
<b>Khasanov R.M., Ladnushkin A.A., Sadykov R.R., Avhadeev R.R.</b> Spatial mounting systems in the reconstruction of the main building of enterprises of the energy supervision	247
<b>ROADS, SUBWAYS, AIRPORTS, BRIDGES AND TUNNELS DESIGN AND CONSTRUCTION</b>	
<b>Nikolaeva R.V.</b> Suggestions for road design taking into account the driver perception of road conditions	252
<b>ECOLOGICAL SAFETY OF CONSTRUCTION AND MUNICIPAL ECONOMY</b>	
<b>Barysheva O.B., Khabibullin Iu.Kh., Melnik A.E.</b> Development of a method for processing solid waste using hot technology	259
<b>COMPUTER SCIENCE, COMPUTER FACILITIES AND MANAGEMENT (in building)</b>	
<b>Gumerova L.V., Gumerov A.V.</b> The strength that occurs when driving vortex filament around a circular cylinder	265
Rules of representation of materials for the publication in scientific journal «Kazan State University of Architecture and Engineering news»	273
